**Additional Notice** - Work on the roof and replacing the guttering is making good progress and should be completed by September. New fascia boards and new aluminium guttering are now in place. Currently further repairs are being made to the Apex at the front of the building. The grant for the work has been awarded by the Listed Places of Worship Roof Repair Fund. For any more information about this please speak to John Rubens, Melvin Polglase or Mark Fretwell.

*Sermons are available to order on CD, or you can download them for free at:*

## Matters for Prayer

- Please remember our Pastor as he preaches at the Spring Road Evangelical Church Houseparty this week at Hebron Hall, Cardiff. He will be preaching each morning on the Psalms following the theme 'When Darkness Veils His Lovely Face'. Pray that it would be a time of rich blessing for those who attend and that any unbelievers present would be challenged to consider the claims of Christ.
- Please continue to remember our dear brothers and sisters in Christ who are unable to meet with us because of infirmity and ill-health.
- Give thanks for the many visitors that have been with us so far over the summer. Pray for the churches that have been represented and that Gospel churches generally, might have confidence in the ordinary means of grace that God has given. May it be that the preaching of God's Word would be attended with great power and unction that souls be saved, the saints built up and Christ exalted.
- Please pray particularly for Phil and Lydia Evans as they prepare to spend a month in Riga, Latvia from the end of August. During that time they will lead the GBM Envision Team and will be working alongside long-term missionaries Malcolm and Ruth Firth. Pray that the Lord would use the team as they seek to make the most of the Gospel opportunities that are given. Also pray for Phil and Lydia as during this time they will begin to finalise all the practicalities about their move to Riga at the beginning of 2018 to serve the Lord.
