Matters for Prayer

- As we remember those who have fallen in the two world wars and many conflicts since - pray for SASRA (*The Soldiers' & Airmen's Scripture Readers Association*) as they seek to share the Gospel with those in the Armed Forces. SASRA are unique in that they are permitted, subject to Chaplain's recommendation and Commanding Officers' permission, to visit soldiers and airmen in their accommodation, work and recreation areas. This is done with a view to coming alongside and introducing them to the Gospel of the Lord Jesus Christ.
- Phil and Lydia Evans are currently undertaking an extensive period of deputation around various churches in the UK. Pray for them as they travel and also that they will be helped in the different meetings as they share about their work in Riga, Latvia. Today they are at Beeston Free Church in Nottingham.
- Please pray for the ongoing work of Evangelical Press Missionary Trust (EPMT). Their work is to advance the Christian faith and the gospel of God's grace by publishing reformed literature throughout the world with a particular focus on the French and Russian speaking world. Pray for Jean Claude Souillot as he visits French speaking Africa and places like Haiti, to encourage churches and pastors there. Also, for Slava Viazovski who oversees the Russian work.
