# Matters for Prayer

- Phil and Lydia write: 'We had a good journey over to Riga and everything arrived with us. We were also grateful to have three students meet us at our apartment to help us get our bags up the four flights of stairs. It's a lovely, cosy apartment and we are happy to have our first month here. We will head out later to view some more long term solutions. Tonight there is an event for new students happening in the city, organised by IFES (International Fellowship of Evangelical Students), which we will go along to and hope to meet some students that we can begin to get to know and connect with in the coming weeks.'
- Please pray for our Pastor during this time of extended study and preparation for the future. Continue to pray for the church and for a time of growth over the coming months.
- Please pray for members of the church and congregation who have particular struggles at the present time and that they might know the help and strength of the Lord. A number of members of the congregation are facing difficult health issues at the moment.
- Give thanks for Lunch and Listen and for those who attended last Thursday.
