## Matters for Prayer

- Please pray for Phil as he is getting to know some of the male students in Riga, many of whom are from India. Lydia is having opportunities to meet up with two girls, one a very young Christian. They are in the process of moving into their new apartment, which will give them more space for meetings in their home.
- Please pray for Bosco Bukeera as he is now in Uganda for about a month to prepare for the family move there in June. It's good to have Heidi, Ezekiel and Eleazar here this weekend.
- Jonathan and Naomi Robinson report that their language studies are going well and should be completed in the next few months. Please pray for them as they plan to spend the following six months visiting various churches, prior to their move to the mission field. They are hoping to visit Penzance at the end of May this year.
- Please pray for the work of UBM as they start to enrol teams for their beach mission this year. Pray that the contacts made during the summer missions will result in many holidaymakers hearing the gospel.
- Please pray for our Pastor during this time of extended study and preparation for the future. Continue to pray for the church and for a time of growth over the coming months.
- Please pray for members of the church and congregation who have particular struggles at the present time and that they might know the help and strength of the Lord.
- Please pray for Ralph, Rebecca and Asher as they settle into their new home in Newlyn.
