Matters for Prayer

- Pray for positive responses to invitations being sent out for the Easter services and for visitors next weekend.
- Pray for the funeral service of Richard Semmens this Wednesday. Remember his widow, Marlene and members of family and friends at this time.
- Continue to pray for Phil, Lydia and Isobel in Latvia. Pray for Phil as he leads a regular Bible study for around six young men who gather each week.
- Pray for Bosco and Heidi Bukeera and the family in Uganda, particularly as the Church starts to get established.
- Give thanks that Jonathan and Naomi Robinson and family have been able to return to Senegal. Pray for them as they get back into their language studies.
- Pray for those believers around the world who suffer persecution for their faith and in particular Early Rain Covenant Church in China; pray for Pastor Wang Yi and the members of the church and that in the midst of the persecution there would be continuing opportunities for the gospel. Particularly as the Chinese government is now offering cash reward for those who inform on underground churches.
- Please continue to pray for members of the church and congregation currently in hospital and for those with particular health and family needs at this time.
