

Welcome!

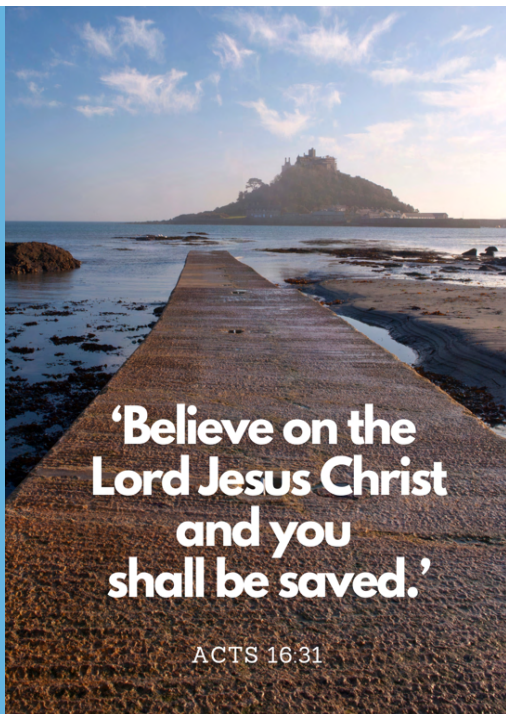

PASTOR'S WELCOME

Dear Friend,

Thank you for looking inside this leaflet about Penzance Baptist Church. I would like to invite you to come and visit us. At our meetings we look to understand the truth about God and about ourselves through the teaching of the Bible. Life always seems to be so busy, and we can miss what is the most important issue in this life and the next - how can I be right with God? As the Pastor of PBC, I would encourage you not to let the ultimate meaning and purpose of life pass you by. True fulfilment and happiness ultimately depends on knowing who we are, and knowing God, our Creator. The Bible says that sin has ruined our relationship with God and nothing we can do can fix that. But the great news is that God sent His own Son, the Lord Jesus Christ to rescue sinners through His perfect life, death on the cross, and amazing resurrection. This salvation is a gift, we cannot earn it, but God gives it to people like you and me by His grace. Why not come and find out more?

Yours in Christ,

Pastor Jonathan Stobbs

SOME HISTORY...

The Baptist Chapel in Clarence Street was built in 1836. It is one of the few Baptist chapels left in Cornwall. The chapel is Grade II* listed placing it in the top 6% of buildings of special interest and particular importance. The front architectural design of the chapel is striking and gets attention from all over the world. We are in the process of renovating the front of the building, which is a significant undertaking, but which will preserve its standing into the future.

However, the church is not the building but the people. A group of Christian believers with biblical, baptist convictions began meeting together for worship in 1802. The foundation of what they believed then is what we continue to believe now. The Gospel message and its power is still the same today.

The church has a rich history, and we hope, under God, a blessed future. Over the years, many people of all ages, from near and far, have found peace with God through Jesus Christ at Clarence Street. PBC is more than just a historic building, but a warm and welcoming group of people who are sinners but have a great Saviour.
