

10th December 2021

Dear Friends,

The Covid-19 pandemic continues to present various challenges and as a church we have prayerfully considered the way we can move forward at this current time. There is still a need to be wise. We are very aware of our responsibilities before the Lord for the well being and safety of our church family, as well as having a real concern for the community around us.

The following recommendations/provisions are for those intending to join us in church on Sundays:

1. Please do not come if you have a high temperature, a new continuous cough or a loss or change to your sense of smell or taste, or if you have any possible symptoms.
2. The building will continue to be cleaned and sanitised regularly around the services.
3. We are always delighted to welcome visitors. In the current circumstances if you are planning to visit us, and if you are able, it would be helpful if you could let us know. This can be done either by email - contact@penzancebaptistchurch.com; or by phone on 07703464971.
4. Sanitiser will be available on entrance and exit for those who wish to use it.
5. Face coverings are now legally required in the building and must be worn unless there is a legitimate exemption.
6. Services will include congregational singing. Attendees can decide whether they would like to retain or remove masks whilst they sing.

Thank you in advance for your patience, understanding and cooperation with these recommendations. If you do have any questions, please feel free to ask us and we will do our best to answer.

Yours warmly in Him,

Jon Stobbs
(On behalf of the Elders and Deacons)
