## Matters for Prayer

- Pray for Phil, Lydia and Isobel in Riga. Phil reports they had 35 students at their first event and that other students are returning and the church is filling up again. Pray that as they continue to meet new students that God would prepare hearts to want to explore and hear His gospel.
- Continue to pray for the work of the gospel in the church in Uganda and for men to help and support Bosco in the ministry. Give thanks for the safe return of Carol to the UK and as she is due to return to Cornwall, later today. Pray for Bosco, Heidi and family as they will miss having Carol with them.
- Continue to pray for Jonathan and Naomi Robinson and family in Senegal and particularly as they settle into new accommodation and continue with their language studies.
- Pray for the 'Christianity Explored' meetings beginning later this week.
- Pray for those members of the church and congregation with particular ongoing health issues.
